Tocqueville Society

The Tocqueville Society was developed to recognize those generous donors who contribute \$10,000 or more the United Way's annual campaign.

Thanks to the leadership of Hannaford Bros. Co. in providing a \$50,000 grant, United Way was able to offer two challenge matches to new and current members. The Tocqueville Step-Up Challenge was embraced by 16 new members, and 17 current members increased their pledge by at least 10% through the Plus 10% Challenge Match.

Led by Tocqueville Co-chairs Michael Dubyak and Richard Petersen, Tocqueville membership has grown to 80 households. United Way thanks Michael and Richard for their leadership, and recognizes and thanks all Tocqueville Society members.
